

Colon cancer is the third most commonly diagnosed cancer and the second leading cause of cancer death in men and women combined in the United States. Financial support is key to maximizing the fundraising efforts of Colon Cancer Awareness. For the third consecutive year, I would like to do something personally to further the mission of the Colorectal Cancer Alliance by hosting a fundraising gala. Donations are tax deductible to the full extent allowed by law and made payable to Dr. Nandi Charities. Please consider one of the sponsorship levels below for Colon Cancer Awareness, Screening and Prevention.

With my sincerest gratitude for your consideration,

Dr. Nandi

Please consider one of the sponsorship levels below for Colon Cancer Awareness, Screening and Prevention
